

"I'LL FIGHT DRUG EVIL TO FINISH," SWANN DECLARES

District Attorney Tells 3,000 Druggists Illegal Sale of Narcotics Must Stop.

Commercial preparedness and national independence of foreign manufacturers were keynotes at the convention of the American Druggists' Syndicate, which opened a week's exposition to-day at the Madison Square Garden, with 3,000 of a membership of 23,000 pharmacists present. This co-operative association, which

GIRLS! TRY IT! HAVE THICK, WAVY, BEAUTIFUL HAIR

Every particle of dandruff disappears and hair stops coming out.

Draw a moist cloth through hair and double its beauty at once.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a 25-cent bottle of Knott's Danderine from any druggist or toilet counter, and just try it.

Save your hair! Beautify it! You will say this was the best 25 cents you ever spent—Advt.

was founded in 1905, has been working for the uplift of the drug trade and the fighting of illegal traffic in drugs.

District Attorney Edward Swann addressed the delegates, telling them what has been done and what it is proposed to do in the crusade against the illegal sale and advertising of narcotics and nostrums.

The exhibit in the Garden is picturesque. The color scheme of blue and white prevails in the general decorations, and the 225 booths are in orange and white. The atmosphere is rich with the odor of perfumes.

One main purpose of the week's conference will be the soaring prices of drugs due to the European war.

Two years ago the American Druggists' Syndicate proposed legislation to restrict the sale of narcotics, except upon prescription of physicians, and backed the present Harrison law. District Attorney Swann told the druggists of his work as District Attorney to purge this city of false and misleading advertising and labeling of narcotics and nostrums.

"I need not say that I intend to take the initiative in my fight against these evils," he continued. "All I require is a complaint from any person that an evil exists and it will be cleared up rapidly and effectively."

"I found many reforms are needed in this line. For that reason I left the Court of General Sessions, where my term would have run for six years more, and took up the duties of the District Attorney, whose term is for four years only. One of the most glaring illegalities is the advertising of panaceas for incurable diseases, such as tuberculosis and cancer. The law is almost invariably circumvented here by accompanying literature, instead of labels on the containers or bottles."

"I am starting out against these evils with a vim. If I am defeated I shall go to the State Legislature, and even to the National Legislature, in my efforts to purge the city of the illegal selling of habit-forming drugs."

State Senator William J. Bullock, a druggist of New Bedford, Mass., told what the members had done in their crusade against unethical pharmacists and outlined the work of the co-operative association. Dr. William C. Anderson, Dean of the Brooklyn College of Pharmacy, and president of the association, presided. There were several other speakers. A reception and ball will be held this evening at the Holland House.

STABBED IN STREET FIGHT.

Three Arrested Following Alleged Attempt at Highway Robbery.

In a fight following an attempt to take a cheap watch, set with imitation jewels, from Karl Muciak of No. 344 Cherry street, early to-day, Pasanti Muluck of the same address received a cut four inches long in the abdomen and is in Gouverneur Hospital, perhaps dying. He is charged with robbery. Demetria Tarasuka, a friend of Muciak, is a prisoner, charged with assault, and a companion of Muluck's, Alexander Huker, is also held under a charge of robbery. All the men lie near each other in Cherry street. The fight occurred in front of No. 173 Montgomery street.

GUILTY, SAYS DIETZ; SMUGGLER GETS A YEAR

Son Also Admits Diamond Frauds and Must Pay a Fine of \$5,000.

Herman J. Dietz and his son Charles, who formerly did business as diamond merchants at No. 87 Nassau street, to-day pleaded guilty to smuggling in the Criminal Branch of the United States District Court and were sentenced by Judge William H. Hunt. Herman Dietz, who is fifty-five years old, was given a year and a day and Charles, twenty-nine, was sentenced to pay a fine of \$5,000. The Court ordered that if the fine is not paid by next Monday Charles shall appear for sentence.

The Dietzs had been carrying on a system of smuggling across the Canadian border from 1911 to 1914 and the Government alleges that in that time they brought over from Montreal diamonds to the value of from \$500,000 to \$700,000.

ORDER N. H. CARS LIGHTED.

P. S. Commissioner Highway Calls Road's Police Employees.

The New Haven Railroad was to-day ordered to install a new lighting system in fifty of its cars by May 1 and to give five police employees the right to ride in the cars. This decision was arrived at during a joint session of the First and Second District Public Service Commissions. Charles K. Blatchley and other commissioners were the complainants.

"This case has been before us a whole year," said Commissioner Hayward, "and the net result is that improvements have been made in only two of the sixty-five cars. I think the railroad has been pursuing a pleasure policy."

JUDGE LENIENT TO BAND OF WOULD-BE SMUGGLERS

Says He Can't Imprison Men Who Tried to Get Rubber to Germans.

Max Jaeger, Richard Wohlberg, Paul Schmidt and Edward Weber pleaded guilty to violation of the Customs Laws in an attempt to smuggle rubber out of this country on the steamer Ryndam last November. Jaeger was fined \$1,500, Schmidt and Weber \$150 each and Wohlberg \$100. The Rubber and Gunpowder Agency, which furnished the rubber, was fined \$50. Mrs. Annie Deikers, who engaged to take it to Holland as personal baggage, was not in court, on account of sickness.

Judge Henry D. Clayton of Alabama was sitting in the United States District Court where they made their plea. He said that he couldn't find it in his heart to imprison the men for their acts, in that they had been engaged in what they deemed their duty from a patriotic viewpoint. The courtroom was crowded with friends of the quartette. Jaeger came here from Berlin to engage in smuggling rubber to Germany.

CHINESE ASK MAYOR TO MAKE THEM "VIGILANTES"

Committee Would Act With Police to Regulate Celestial Crime, as in Chicago.

Lee Hin Mai, Chu Hong Moy, Soe Mai Hong and Henry Moy, Chinese merchants, called on Mayor Mitchell to-day and asked that they be permitted to co-operate with the police in dealing with crime among their countrymen. They favor the adoption of a system used in Chicago, which gives influential Chinese merchants power to act as a law and order committee.

The Chinese merchants say their committee is prepared to put up a bond as an assurance to the Mayor that they will work just as faithfully to turn over law breakers to the police as to save the innocent. What they object to is the peril of being clapped in jail without an opportunity to offer a defense, because of their inability to properly express themselves. The Chinese believe they are

over-polluted and point to the fact that the percentage of crimes committed by their people is comparatively small. Mayor Mitchell said he would refer the request to Police Commissioner Woods.

JUDGE BRADY'S WILL FILED.

Brief Document Leaves Estate to Family, to Be Equally Divided. The will of the late Supreme Court Justice John J. Brady was filed this morning in the Bronx County Surrogate's Court, and in it the Justice's widow, Mrs. Jennie M. Brady, and their seven children are left all of the estate, to be divided equally. In the document there is no indication of the value of the estate.

For brevity the will is unique, as it consists of two short paragraphs. It was made on Dec. 24, 1912. The executors of the will are the widow and two daughters, Mrs. Mary E. T. Dunn and Mrs. Anna H. Moore.

Garrison to Address Bankers.

Secretary of War Garrison will address Group 8 of the New York State Bankers' Association at its annual dinner at the Hotel Astor this evening. One of his friends said to-day that he would present some intensely interesting facts relating to preparedness. The other speakers will be Major Gen. Leonard Wood, Dwight W. Morrow and Augustus Thomas.
